TECHRON®
CONCENTRATE PLUS

Chevron

# COMPLETE
## FUEL SYSTEM CLEANER

SIZES
12 oz | 20 oz | 32 oz

## Restore power and maximize fuel economy

Every time you drive, harmful deposits can build up in your fuel system. Techron's Precision Clean™ Technology delivers unbeatable cleaning power that targets and removes stubborn deposits. Only Techron Concentrate Plus Complete Fuel System Cleaner (CFSC) contains a proprietary blend of polyether amine (PEA) and other components that penetrate deep into the surface of deposits to break up and carry away harmful carbon that can hurt your engine performance.

### Key Product Benefits:

- Cleans, restores and protects the entire fuel system
- Powerful detergents break up and clear away stubborn carbon deposits to maximize fuel economy[1] and restore engine power
- Helps restore lost power and acceleration
- Helps clean and restore operation of the fuel gauge sensor
- Helps minimize smog producing emissions
- Helps protect against corrosion in fuel system
- Protect your fuel gauge from malfunctioning

## Deep cleans in one tankful

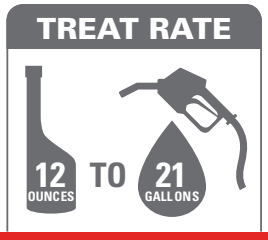

### Why Techron?

There are many fuel additive choices available today and each claim to be the best solution. When it comes to leading chemistry and getting results, the Techron brand has been trusted for over 40 years by consumers and professionals alike.

### Recommended Use

Techron CFSC works in all types of gasoline engines - including modern direct fuel injected systems. So whether you drive a car with 3,000 miles or 300,000 miles, you can trust the cleaning power of the Techron brand.
